

INDUSTRIAL RAILWAY SOCIETY

SUBSCRIPTION RENEWAL NOTICE 2017

Your subscription expires on 31st December 2016 and we invite you to renew your membership of the Society. Previously you have been able to make savings by renewing for two years but the Committee has decided to cease offering the two-year renewals. The reasons for this are two-fold, firstly to reduce the administrative burden on officers and secondly because the membership rates have not changed for many years this change will make a slight overall increase in revenue for the Society, which will help offset increased costs.

Members can opt to receive Digital PDF Bulletins instead of printed copies. Digital Bulletins will be available at the same time as the printed Bulletins. Those who have already opted to receive digital bulletins will continue to do so unless opting back in for printed ones. The RECORD will be available in printed format only and will be sent by post four times per year.

Your name and address is held on a computer database to enable distribution of the Bulletin and RECORD and is not made available to any outside body. If you wish the Society to be able to contact you by email then please provide an email address. Subscriptions queries are dealt with by:

Stan Robinson, Hon. Membership Secretary, 47 Waverley Gardens, London, NW10 7EE
